

**Community Christian School of Baraboo
Board Minutes – Summarized for Distribution
November 10, 2016**

- ReStore donated 20 used chromebooks to the school.
- The CenterShot Archery program was approved to use the school facilities on Thursday evenings during the months of February and March. CenterShot partners with CCS to provide an archery program.
- The Long-range Planning Committee will meet on Monday, November 14 at 6:30pm. Parent participation is highly encouraged. This committee is currently looking at short-term ways to handle growth and will move into long-range vision planning for growth.
- The board met with Modern Woodmen representatives to learn more about their programs that would give staff members the option to participate in their salary allotment plans for life insurance and retirement.
- The WRISA accreditation year-long self-study is underway. Parent participation is encouraged. For more information, contact Administrator Dale Lempa.
- If all projected income is received, CCS will end the fiscal year in July with a net income of approximately \$9,000.
